Thanks to Linda Cole for Her Notes from the 9/9 Meeting!

EDITOR'S NOTE:

Health Update. I had a second defibrillator / pacemaker implanted last Tuesday. The original didn't have enough power or manual override capabilities to do the job. I'm doing all right, but the area around the incision has turned several nasty colors.

Anita had her gall bladder removed on Friday and she's doing fine.

I will be back on the 16th.

In the meantime, send your announcements, events, ideas, or other items to johnhill@cox.net, or call John Hill at 808-0987. Thanks!
