Tom Adelson

Our Oct 21st speaker was Oklahoma Senator and Tulsa mayoral candidate Tom Adelson.

Tom has an aggressive plan to improve Tulsa by adding new roads, bridges, improving regional government, growing the city, and improving both healthcare and education.

Senator Adelson really has a heart to help people and has a desire to put trust back in government. Part of his plan is to consolidate city services and to make sure the tax dollars are being used efficiently.

Tom believes in public education and stated that his kids are in public schools. Although he does not campaign on it he did mention he intended to work for \$1.00 per year just like current Mayor Kathy Taylor. Tom also mentioned he is airing negative ads about his opponent, Dewey Bartlett, in defense of the negative ads that have been thrown at him.
